REQUEST FOR CERTIFICATE OF CORRECTION OF PATENT (37 C.F.R. §1.322)

Sir:

Patentee requests that a certificate of correction be issued for U.S. patent 7,204,804 issued April 17, 2007, and assigned to C. R. Bard, Inc. The patent includes two mistakes of a clerical or typographical nature. Correction does not involve a change that would constitute new matter or require reexamination. Both errors resulted from mistakes by the PTO and no fee is believed to be required.

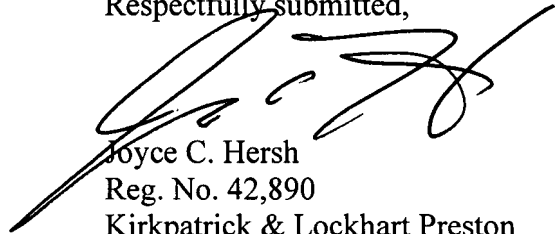

Correction of claim 12 at col. 7, line 30 is requested to delete "an accessory" and replace with "the second component". This amendment was made in the Amendment and Reply filed March 3, 2005 and was accepted by the Examiner, but is not reflected in the issued patent.

Correction of drawing Sheets 1-7 is requested. Informal drawings were submitted upon filing of the application, and it appears no formal drawings were requested. Formal drawings are submitted herewith.

Certificate
MAY 25 2007
of Correction MAY 25 2007

The requisite certificate of correction form (PTO/SB/44) is submitted herewith.

Respectfully submitted,

Joyce C. Hersh
